**lien against the property and a personal debt owed by all persons having an interest in the property.**

**Penalties**

**Failure to correct each violation in the time and manner prescribed is a criminal misdemeanor subject to a fine of up to \$500 per day. A violation may also be enforced by Court Order and civil penalty. In addition to initiating prosecution or other legal enforcement proceedings the Commissioner or an authorized representative of the Commissioner is authorized to complete all required work without further notice. The expense of the work will be both a personal debt and a lien against the property.**

**Certain violations of the BFRCBC and Zoning Code carry penalties that exceed the \$500 fine per day and in some cases may include incarceration.**

**Abatement Procedure**

**Work must be inspected and approved before this notice will be abated. Contact your area housing office at the number listed on page 1 to schedule an inspection when corrections have been completed. An abatement letter will be sent upon verifying satisfactory completion. All repairs, maintenance work, alterations, or installations must be done in a workmanlike manner. The Housing Code Official for your area may extend the time within which to comply with any item on this notice.**

**Administrative Review**

**Violations of the Zoning Code of Baltimore City:**

**Separate appeal request must be made if you are appealing violations of both the Zoning Code and the BFRCBC.**

**Lead Warning Statement**

Many homes built before 1978 were painted using lead-based paint. Lead-based paint is particularly dangerous if it is chipping or peeling. If a home has been cited for chipping paint and this paint is lead-based paint, it places young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. In certain circumstances you must employ lead-safe work practices to correct paint violations. If you would like more information on lead poisoning prevention and lead-safe work practices, contact Department of Housing & Community Development Light Program at 410-396-3023 or the Baltimore City Health Department Childhood Lead Poisoning Prevention Program at 443-984-2460 or the Green & Healthy Homes Initiative by e-mail at [marylandprograms@ghhi.org](mailto:marylandprograms@ghhi.org) or by telephone at 410-534-6447 or 1-800-370-5323.

**Property Registration**

All non-owner occupied residential dwelling units and rooming units must be registered with the Commissioner of Department of Housing & Community Development. The Baltimore City Code, Article 13, Subtitle 4-2, requires every owner of a non-owner occupied dwelling unit, "whether occupied or vacant, whether it is producing revenue or not producing revenue, whether habitable or not habitable" shall file a registration statement with the Housing Commissioner. This must be done upon any transfer of the property and every September 1st thereafter. Failure to register your property in the time and manner prescribed is a criminal misdemeanor subject to a fine of up to \$500 per day. A violation may also be enforced by Court Order, civil penalty and environmental citation. More information on Property Registration is available online at [dhcd.baltimorehousing.org](http://dhcd.baltimorehousing.org). The Property Registration & Licensing Office is located at 417 E. Fayette Street, Room 100 and they are open Monday - Friday, 8:30 a.m. - 4:30 p.m.
